THE SCOTTISH RITE

Centennial of Supreme Council, Southern Jurisdiction.

DUAL CELEBRATION OF THE EVENT

Unveiling of the Monument to Gen. Albert Pike.

FEATURES OF PROGRAMS

Masonic interest throughout the civilized world where the principles of the fellowship are upheld and venerated is being centered in events which will occur in Washington week after next in connection with the biennial session of the Supreme Council of the Thirty-third Degree of the Ancient and Accepted Scottish Rite of Freemasonry for the Southern Jurisdiction of the United States of America. It is the most council of the world. It was established 100 years ago, on May 31, 1801, in Charleston, S. C., but the celebration of its centennial anniversary was postponed from last May until the approaching biennial meeting in order to make it coincident with the unveiling of the statue of Gen. Albert Pike.

This statue, which was erected by the Supreme Council out of its own funds and placed by authority of Congress on the public reservation at the intersection of Indiana avenue and 3d and D streets northwest, has been greatly admired by the general public, and since its completion has been the shrine which nearly every Mason who has visited Washington has paid silent tribute to. General Pike was for many years and until the time of his death grand commander of the Supreme Council, and wherever there is a lodge the world over his name is revered and his works are known.

The ceremonies of the unveiling and of formally turning over the statue to the United States government will be conducted by the Grand Lodge of Masons of the District of Columbia Tuesday, October 22, under direction of the grand master, Harry Standford. The details of the program have not been completed, but it will be in keeping with the occasion. All the Masonic bodies of the District will be in attendance in full regalia, and will form a procession to escort the participants. Haley's Washington Band has been secured to supply the music.

The Supreme Council will attend in a body, and a very large number of the members of the Supreme Council of the Northern Jurisdiction, with Henry L. Palmer, grand commander, at their head, will also be present. Accommodations at the Arlington and the Raleigh have been secured for these visitors. Besides the official Masonic representatives there will be individual Masons present in large numbers from all over the country.

Meeting of Supreme Council.
The biennial meeting of the Supreme Council will be held in the House of the Temple, 433 3d street northwest, corner of E street, Monday, October 21, but on the previous Saturday night a musicale will be given in the Supreme Council room, in which some of the best talent in Washington will participate. The exquisite permanent decorations of this commanding apartment will be heightened by floral decorations and draperies. This musicale will be open to the public.

The meeting Monday will be devoted to listening to and considering the biennial address of the grand commander ad interim, Representative James A. Richardson of Tennessee. Mr. Richardson is lieutenant grand commander, but has been acting as grand commander since the death of Grand Commander Thomas Hubbard, which occurred in San Francisco last November. He will be formally elected to the eminent position he now temporarily holds at the session Tuesday, October 22, when the election of officers takes place.

Other Officers.
This will create a vacancy in the office of lieutenant grand commander, and as the Supreme Council almost invariably advances its officers when death makes a vacancy there will probably be promotions all through the roster. The order of rank is as follows:
Grand prior, Erasmus T. Carr, Montana; grand chancellor, Samuel E. Adams, Minnesota; grand master, Harry Standford, Illinois; secretary general, Frederick Webber, Kentucky; grand almoner, Richard J. Nunn, Georgia; grand auditor, Samuel J. Todd, Louisiana; grand treasurer, Rufus E. Fleming, North Dakota; grand chamberlain, Buren R. Sherman, Iowa; first grand equerry, James Rudolph Hayden, Washington; second grand equerry, John F. Mayer, Virginia; grand standard bearer, Adolphus L. Fitzgerald, Nevada; grand herald, William H. Moore, California; grand herald, Frank M. Foote, Wyoming.

The other members of the council are first sovereign grand inspector general, fifty honorary inspectors general and fifty honorary knights commander of the Court of Honor. Among the honorary inspectors general are William A. H. Holt, F. T. Woodman, R. I. Fleming, Louis Goldsmith, G. C. Taylor, A. B. Coolidge, E. M. Waller, W. B. Balloch, I. P. Noyes, George H. Walker, and James Lamsburg, all of this city, and Messrs. Halvor Nelson and George E. Corson, also of this city, are among the knights commander of the Court of Honor.

Two Banquets and an Address.
Tuesday night the Royal Order of Scotland, a sister order of the Supreme Council, of which Josiah H. Drummond of Maine is provincial grand master and Representative Richard A. Brown of Virginia is grand master, will give a banquet. It is now the intention to inaugurate the opening of the new Willard's Hotel with this function if everything is in readiness. In case any delays occur to prevent it will be given elsewhere.

Death of Dent Yates.
KANSAS CITY, October 10.—Dent Yates, for twenty years one of the most prominent business men in this city, is dead at his home from an operation for appendicitis. Mr. Yates was a member of the company that presented the opera Pinaroff in America for the first time.

Crushed Stone Combine.
CHICAGO, October 10.—Crushed stone companies of the middle west have decided to combine. The new corporation will be known as the Western Consolidated Stone Company, and will control the granite trade west of the Alleghenies and north of the Gulf states. It is capitalized at \$5,000,000.

To Succeed President Law.
CHICAGO, October 10.—Prof. George Edgar Vincent of the University of Chicago, the Record-Herald says, is mentioned most prominently in New York for president of Columbia University to succeed Seth Low. Vincent was one of the three leading educators at all considered for the presidency of Yale when Dr. A. T. Hadley was finally elected.

Park Renamed for McKinley.
CHICAGO, October 10.—The South Park commissioners have passed a resolution changing the name of Brighton Park to McKinley Park. It was also practically decided to change the name of 32d street to McKinley boulevard.

Shot by a Negro Tramp.
NEW BRUNSWICK, N. J., October 10.—Wm. H. Williams, twenty-eight years old, who says his home is in Lima, Ohio, was murdered yesterday by a negro tramp. Both men were riding on a freight train, when, at a point near Stettin, the negro suddenly drew a revolver and fired at Williams, the ball lodging near his heart.

The negro then went through his victim's pockets and jumped off the train and escaped. Williams was brought to this city and placed in a hospital. It is said that his recovery is doubtful.
